BHUBANESWAR

EXPERIENCE

Core Team Member (Management) [↗](#)

Soa Flying Community

Bhubaneswar, Odisha

April 2024

- At the SOA Flying Community, I'm part of the core management team, where I help shape ideas, organize initiatives, and keep things running smoothly. My role is a mix of strategy, leadership, and teamwork, making sure our projects don't just take off—but truly soar and also done money management.

Project Coordinator Intern [↗](#)

Coder's Boutique

Cuttack, Odisha

Aug 2024 - Oct 2024

- Assist in planning, coordinating, and executing projects to ensure timely delivery. Work closely with the project management team to track progress and manage tasks through the Click-Up tool. Collaborate closely with Mr. Fenil Parekh and other team members to support project success.
